Approach

Silver Lake Rd. is an extension of Cary-Algonquin Rd. which connects Route 14 and Highway 31. Crystal Lake Avenue leads to Rawson Bridge roads which is a major connection between Lake County and the city's of Cary and Crystal Lake. It is one of 2 gateways across the Fox River for local residents and entertainment traffic(motorcycles/ water sports). These roads service many affluent developments.

Closeup

Cary is a largely residential village located in southeastern McHenry County. Cary has 2 industrial parks which serve as centers of employment for all of McHenry County. Cary is home to Sage Products, one of the largest providers of Health Care products in the country. This quaint village has a home town feel that appeals to all walks of life. Local favorite Restaurant The Tracks was chosen as the runner-up in the best burger in chicagoland contest.
