Approach

Running diagonally across the entire county, US Rt 14 is the most travelled artery in McHenry County. Between local shopping traffic, daily commuter traffic and vacationing traffic heading up to Wisconsin, US Rt 14 connects with a wide variety of prospects.

Closeup

Harvard is in northwest McHenry County. It is just south of the state line with easy access to the resort areas of Lake Geneva. As the last stop on the Metra Northwest Line, Harvard still offers commuters easy access to the city while maintaining a small town feel. Harvard is known for it's annual Milk Days festival which was started back in the 1940's when became the self-proclaimed "Milk Center of the World!" This is the longest running yearly festival in the state of Illinois.
